The Hugh L. Carey Battery Park City Authority (“BPCA”) is seeking proposals
The Battery Park City Authority (“BPCA”) is seeking proposals for requests
proposals from commercial carting companies to provide pick up and disposal
services for its non-putrescible waste. Created in 1968, BPCA is a New York
State public benefit corporation responsible for financing, developing,
constructing, maintaining, and operating Battery Park City as a richly
diversified mixed use community providing residential and commercial space,
with related amenities such as parks, plazas, recreational areas, and a
waterfront esplanade.

The non-putrescible waste generated by BPCA for which pick up and disposal
is sought herein generally falls into 3 categories of waste:

- 1) Construction and Demolition debris and other non-putrescible materials including but not limited to sand, road salt, wood stumps, masonry debris.
- 2) Hazardous materials including but not limited to motor oil, paint, vehicle fuels and fluids, tires.
- 3) E-Waste including but not limited to light bulbs, computer equipment, batteries.

Vendors interested in receiving a copy of the bid package should email their request to the designated contact, Emily Birdseye at emily.birdseye@bpca.ny.gov. All requests should include your company's name, address, name and email address of your company's contact person and indicate if your company is a NYS certified Minority or Woman Owned business (MWBE) or Service-Disabled Veteran-Owned Business (SDVOB). Quotes should be submitted to the designated contact by June 9, 2022, 5pm EST.

Please note that this project is for Empire State Development Corporation certified MBWE or a New York State Office of General Services certified SDVOB only.

Service-Disabled Veteran-Owned Set Aside: No

Business entities awarded an identical or substantially similar procurement contract within the past five years: None.
